

COSHH RISK ASSESSMENT

Jangro Slant6 Urinal Screen – Mango

Product Code: BC206-MG

Warning

PROCESS STAGE	POTENTIAL RISK	CONTROL MEASURES	ACTION REQUIRED
DELIVERY			
Packaged in boxes of 10 Screens	Risk of spillage if the container is dropped.	Trained employees should handle only single containers at any given time. Take care not to drop the containers.	Transfer container to store immediately following delivery. Do not leave containers in areas where users of the building will come into contact with them.
STORAGE			
Follow normal good-housekeeping practices. Keep away from direct flames. Avoid direct prolonged contact with painted, stained or varnished surfaces.	Keep unused screens in their original, sealed packaging in a cool, dry environment at no more than 30c and avoid extreme heat and naked flames.	Keep the screens in a secure storage area. Store all packages below chest height to minimise risk of dropping. Restrict access to storage areas to authorised personnel. Keep container dry, avoiding strong oxidizing agents.	Use oldest stock first. Make regular checks to ensure that storage area is clean and tidy.
USAGE			
Screens are placed directly into the urinal.	Risk of eye contact. Risk of skin contact. Risk of ingestion is limited due to the product form and difficulty to chew and ingest. In the event of ingestion, rinse mouth thoroughly with water and seek medical advice.	Handle the product with care. Wear Personal Protective Equipment. Ensure that the product is returned to the store when not in use. Always read the manufacturer's instructions prior to use.	Provide employees with PPE as follows: • Protective Gloves Ensure that operatives are aware of location of First Aid facilities and personnel.
DISPOSAL			
Used or Residual stocks must be disposed of as hazardous waste in accordance with Local Authority requirements.	Small risk of skin or eye contact. Risk of contamination with other substances.	Ensure that the product is disposed of via an approved waste disposal plant.	Ensure that all operatives always wear Personal Protective Equipment during disposal. Ensure that all operatives are aware of the First Aid equipment.
